UNLEASH YOUR CREATIVITY

Sublimation ensures that logos and graphics become an integral part of the fabric - without cracking, fading or losing colour. The result is a premium-quality product: durable, attractive and pleasant to the touch. It's a solution that eliminates complaints and keeps customers coming back for more.

INDEX

CATEGORIES

08

SCARVES/HEADBANDS

Multifunctional scarves with custom prints are among our bestsellers: they can be used as hats, bandanas, neck warmers, face masks, and even wristbands.

15

HEADGEAR

Caps with promotional prints are ideal as sports merchandise. The brand logo can accompany its customers both when they're taking on ambitious challenges and when they're heading out for their daily workout.

20

TOWELS/BLANKETS

Promotional towels and fleece blankets with your company logo – it's impossible to imagine a chain of gyms, fitness clubs or swimming pools, or indeed a luxury hotel or spa and wellness centre, without these promotional items. Browse this category and see what products we've put together for your brand.

30

CUSHIONS

Printed cushions are not only a practical addition to your home décor, but also a great way to express your feelings, promote a brand or commemorate special moments. You can order a printed cushion from us, designed entirely to your own specifications.

34

BAGS/SACKS/CASES

Promotional bags and custom-printed bags are unrivalled in terms of their practical applications. Our range includes an incredibly diverse selection – from sports rucksacks to shopping bags.

41

CLOTHING/ACCESSORIES

Promotional clothing with printed designs is an effective way to promote and distinguish a brand. We provide modern solutions that help companies, organisations and event agencies build a professional image.

SCARVES/HEADBANDS

Multifunctional scarves with custom prints are among the bestsellers in our range: they can be used as hats, bandanas, hair bands, neck warmers, face masks and even wristbands.

These promotional headbands, featuring high-quality sublimation printing, will keep unruly fringe in place, protect against the cold and wind, and, when pulled down over the forehead, keep sweat at bay.

LOOP R-PET

This r-PET wrap is made from recycled plastic bottles. This reduces waste and also means a 75% reduction in CO2 emissions compared to the production of traditional polyester.

Size: 25 x 50 cm (± 5%)

Fabric: 100% polyester

Weight: 125 g/m²

Packaging: individual

Minimum quantity: 20 pcs.

Printing method: sublimation

LOOP REFLECTIVE

An all-season scarf with a reflective strip. Particularly suitable for evening sports. It ensures safety and protection, not just from the cold. Reflective strip, 10 mm wide.

Size: 25 x 50 cm (± 5%)

Fabric: 100% polyester

Weight: 135 g/m²

Packaging: individual

Minimum quantity: 20 pcs.

Printing method: sublimation

LOOP TOP

A versatile scarf designed for year-round use. Perfect protection against the cold and sun during outdoor activities.

Size: 25 x 50 cm (± 5%)

Fabric: 100% polyester

Weight: 150 g/m²

Packaging: individual

Minimum quantity: 20 pcs.

Printing method: sublimation

DOUBLE LOOP

A double-layered scarf is the perfect choice for those who like a bit of variety. With two different designs on a single scarf, you can easily change up your look.

Size: 25 x 50 cm (± 5%)

Fabric: 100% polyester

Weight: 2 x 135 g/m²

Packaging: individual

Minimum quantity: 20 pcs.

Printing method: sublimation

LOOP ICE

A cooling scarf for hot days! Its innovative fabric keeps you cool not only whilst doing sport – such as running or cycling – but also whilst relaxing on a boat or enjoying outdoor activities on holiday.

Size: 25 x 50 cm (± 5%)

Fabric: 100% polyester

Weight: 160 g/m²

Packaging: individual

Minimum quantity: 20 pcs.

Printing method: sublimation

WARM LOOP

This scarf helps maintain a constant body temperature during outdoor activities on cooler days. It's the perfect addition to your winter outfit when taking part in sports such as skiing or snowboarding.

Size: 25 x 75 cm (± 5%)

Fabric: 100% polyester

Weight: 135 g/m² + 200 g/m² fleece

Packaging: individual

Minimum quantity: 20 pcs.

Printing method: sublimation

LOOP CLASSIC

An all-season scarf designed for everyday use. It provides excellent protection against the cold and the sun's rays during outdoor activities.

Size 25 x 50 cm ($\pm$ 5%)

Fabric: 100% polyester

Weight: 135 g/m²

Packing: individual

Minimum quantity: 20 pcs.

Printing method: sublimation
